

To whom it may concern,

MEF Educational Institutions in Istanbul have been coordinating Research Projects Contest of high school students within the fields of physics, chemistry and biology since 1992.

Along with high schools in Turkey, schools from the United States of America, England, Germany, Austria, Finland, Sweden, Italy, Georgia, Belarus, Ukraine, Slovenia, Slovakia, Bulgaria, Romania, Moldova, Hungary, Macedonia, Turkish Republic of Northern Cyprus, Kosovo, Albania, Azerbaijan, Kazakhstan, Tatarstan, Abkhazia, Russia, Bosnia Herzegovina, Serbia, Israel, Tunisia, Belgium, Thailand, Holland, Czech Republic, China, Dubai, Canada, Turkmenistan, Spain and Croatia have attended these exhibitions during the past twenty-two years.

The aim of the project is to guide and support students in scientific studies and research.

Participating groups should be from high school equivalents and their projects should be from one of the three branches of science. (physics, chemistry or biology)

EXHIBITION TIME AND PLACE:

The contest will be held in Istanbul, in the exhibition hall of MEF Schools.

The contest will be held between May 7 - 10, 2014

Opening Ceremony

: May 7, 2014 - Wednesday

Closing Ceremony

: May 10, 2014 - Saturday, 10:00 a.m - latest

15:00 p.m.

However all of the groups should be in Istanbul on 6th May,2014 for preparing their stands and rest.

The transfers, accommodations and meals (breakfast-lunch-dinner) will be provided by the organization. Travel expenses (return tickets) to Istanbul will be paid by the participants. Groups will consist of a maximum of 2 students and 1 teacher.

Free tours of historical, touristic and cultural programs are at the service of the participant students and teachers during the event.

During the exhibition the program will be held only in English.

We are looking forward the application forms for the projects prepared from the groups who wish to participate in our research projects contest.

Attached, you will find the necessary documents.

Best Regards
