Research Destination Turkey :

Workshop Series on “European and National Funding Opportunities for Brain Circulation, R&D Cooperation and Research Career”

*The Scientific and Technological Research Council of Turkey (TÜBİTAK) will organize a series of workshops on **April 6-8-10, 2013** in **Houston, Raleigh and Atlanta**.*

The event aims at creating awareness on recent developments in Turkish Research Area, national and international research funding mechanisms for reintegration or sabbatical to Turkey.

The Road Show of the Turkish Universities and Research Performing Organizations will provide an opportunity to the participants to meet with their potential employers.

You are kindly invited to have a seat at one of these workshops which will have the same agenda and get in touch with future employers.
